INTRODUCTION

The Directorate of State Institute of Rural Development (SIRD) is the apex body in the field of training & research in Rural Development with two Extension Training Centres and two up-coming Resource Centres.

Mission

To train people, promote rural technology, better networking in dissemination of information, transparency, better production in rural farming, community infrastructures, management and promotion of self reliance.

Aims and Objectives

The main thrust of the SIRD is to provide training & research to various levels of rural functionaries with the following aims.

- Organize training programs, seminars, workshops, conference etc. for various categories of Government functionaries including the NGOs, VOs, and SHGs.
- Undertaking research studies by the faculties on various subjects relating to rural development in the State.
- Dissemination of information by ways of contributing articles by Senior Faculty members in important reports and other publication.
- To provide orientation training to the Village Level Functionaries such as Village Councils and Village Development Boards.
- To bring about better co-ordination amongst the Government Departments by way of organizing seminars and workshops on relevant issues common to the people of the State.
- To give computer education to all rural development functionaries including VDBs, VCCs, Rural youths and functional networking.
