INTRODUCTION

The Directorate of State Institute of Rural Development (SIRD) is the apex body in the field of training & research in Rural Development with two Extension Centres and two up-coming Resource Centres.

Mission

To train people, promote rural technology, better networking in dissemination of information, transparency, better production in rural farming, community infrastructures, management and promotion of self-reliance.

Aims and Objectives

The main thrust of the SIRD is to provide training & research to various levels of rural functionaries with the following aims

- Organise training programs, seminars, workshops, conference etc. for various categories of Government functionaries including the NGOs, VOs, and SHGs.
- Undertaking research studies by the faculties on various subjects relating to rural development in the State.
- Dissemination of information by ways of contributing articles by Senior Faculty members in important reports and other publication.
- To provide orientation training to the Village Level Functionaries such as Village Councils and Village Development Boards.
- To bring about better co-ordination amongst the Government Departments by way of organising seminars and workshops on relevant issues common to the people of the State.
- To give computer education to all rural development functionaries.
